- Free For Everyone - Card Never Expires and can be used over and over again
- No Deductibles or Co-Pays - No application or enrollment fees
- No personal information is required to use the card
- No age, Citizenship, Employment or income requirements
- Share this card with your friends, family and co-workers to help them save on their medications

Convenience

- Accepted at pharmacies nationwide
- Cards are available in Spanish and other languages

Who Needs The Card?

- Those with no insurance or little coverage
- Those who have insurance but have limitations like high deductibles, non-covered drugs, high copayments or caps on their benefits
- Seniors who fall into the donut hole of their Medicare Part D
- Employees who are in their waiting period for healthcare coverage
- The unemployed who cannot afford COBRA payments when they lose their jobs
- Employees who cannot afford to cover dependents
- Please note: card sometimes offers a better price than your insurance co-pay

Check for Medication Pricing on our website to get the best discount.

Visit to locate pharmacies and check prescription pricing. To receive the card in the mail, call and leave a message at Free Drug Card Program. Please provide your phone number, mailing address and how many cards you wish to order. Our Community Outreach Department will send the FREE National Drug Cards to you at NO CHARGE!
